**EXCISE AND TAXATION DEPARTMENT****NOTIFICATION**

*Shimla-171002, 17th August, 2013*

**No. EXN-F(1)-6/2012.**—The Governor, Himachal Pradesh is pleased to notify a “**HIM Bill Note Scratch and Win Scheme (HBNSWS)**” in place of existing *Grahak Protsahan Yojna* as per Annexure-‘A’.

2. This scheme shall be implemented by the Excise and Taxation Department as per parameters of the Scheme.

By order,  
Sd/-  
*Principal Secretary (E&T).*

**Annexure ‘A’****HIM Bill Note Scratch and Win Scheme (HBNSWS) For all Retail Traders in the state****Introduction:-**

General tendency among the traders to evade tax needs to be discouraged with massive intervention from general public. In order to curb this tendency, Department has decided to introduce new scheme in the Department namely HIM Bill Note Scratch and Win Scheme (HBNSWS) for all Retail Traders in the state. This will not only encourage revenue growth but it will positively impact the ratio of state’s own income to Gross State Domestic Product (GSDP). The experience of tax growth on continuous basis in other countries can be replicated in our state provided the space allowed for tax evasion is minimized through enforcement of instruments such as proposed Bill Note embedded with security features and having facility of instant cash prizes to public. The Bill Note printed and supplied by the department, entirely regulated through IT system will enable the department to capture the vital details of transactions. However, at the same time, the general public will be entitled to win cash prizes instantly on scratching off the Bill Note and will be motivated to compulsorily ask for cash memo / invoice. Such motivation on the part of public will stimulate growth in turnover and resultant growth in revenue.

In order to improve collection of revenue substantially, to minimize tax evasion and to improve the ratio of state’s own income to GSDP, it seems essential to substitute the old *Grahak Protsahan Yojna* with HIM Bill Note Scratch and Win Scheme (HBNSWS) for all Retail Traders in the state. The allurement of winning prizes will motivate the common man or customer to demand invoice / cash memo for every purchase which intern will generate higher turnover and resultantly will impact revenue growth positively. The massive public intervention through intensive awareness campaign coupled with capturing transaction details electronically through robust control and management framework will contribute in enhancing the tax base and as a result, the revenue collection will grow substantially.

1. **Title and commencement.**—The scheme shall be called the ‘HIM Bill Note Scratch and Win Scheme’(HBNSWS) and will replace the existing scheme of ‘Grahak Protsahan Yojna’. This will commence from the date of its notification.

**2. Definition.**—(a) ‘**Bill Note**’ means a ‘stretchable coupon’ which may have prize value and will contain total purchase value made by the customer.

(b) ‘**Retail trader**’ means a registered dealer engaged in selling of goods to the public at the retail end and such sale of goods or commodities to ultimate consumers.

(c) ‘**Scratch and Win**’ means the customer can win prizes after scratching the bill note on specified penal or to rub lightly with something pointed in order to bring forth what was hidden.

(d) ‘**Redemption**’ means the act of redeeming which is payment of cash equal to the prize amount.

(e) ‘**Government**’ means the Government of Himachal Pradesh.

(f) ‘**Department**’ means the Himachal Pradesh Excise & Taxation Department.

**3. Eligibility.**—All the retail dealers having valid TIN No and conducting sales to consumers or public shall be covered under the scheme except where business stands closed or registration certificate/TIN No. is suspended or cancelled.

**4. Scope of the scheme.**—The scheme shall be applicable in entire Himachal Pradesh.

**5. Salient features of the scheme.**—The “**HIM Bill Note Scratch and Win Scheme**” (**HBNSWS**) carries the following advantages.—

- (i) The Bill Note **will have perforated layer** in the middle to separate the customers copy from that of dealer instantly.
- (ii) The Bill Note **will have instant scratch and cash prize win facility**. The customer can potentially **win cash prizes on simple scratching off** the Bill Note.
- (iii) The probability of **winning prizes will motivate the customer** to compulsorily demand tax invoice on every purchase.
- (iv) The cash prizes upto a value of Rs. 1000/- **will be paid instantly to the customer** by the dealer on demand.
- (v) The cash prizes of value more than Rs. 1000/- will be paid by the dealer to the customer **after verification** from the nearest office of the department.
- (vi) The Bill Note **will not require the itemized details** of goods sold and as such can be issued instantly to the customer.
- (vii) Since, the dealer will not be required to write anything on the Bill Note, thus the **time consumed in issuing will be minimized** substantially.
- (viii) The Bill Note **will make evasion of tax much difficult** for the dealer as the dealer will be forced to issue invoice for the similar amount.
- (ix) The Bill Note **will capture the transaction details** of the dealer correctly and **will favourably impact revenue collection**.

- (x) The ratio of state's own taxes to GSDP being one of the lowest in the country, the new HIM Bill Note Scratch and Win Scheme (HBNSWS) will provide Government the **tool to control and monitor the tax base** from time to time.
- (xi) The value of Bill Note will be **inclusive of tax** rate of the product sold and as such the **fear of getting goods costlier** with the addition of VAT **will get minimized** and the consumer will be encouraged to ask for tax invoice/bill on every purchase.
- (xii) The registration of new dealers are expected to increase substantially as the customer will prefer to purchase goods from registered dealer having valid TIN No and **large number of unregistered dealers will be forced to get registered to remain competitive.**
- (xiii) The scheme will ensure larger public participation through awareness campaigns and the success of the scheme can be ensured for a longer period.

**6. The structure and design of Bill Note.**—The Bill Note is proposed to run independent and parallel to the existing retail invoice under section 30 of the Himachal Pradesh Value Added Tax Act, 2005. The structure and design of '**bill note**' will carry the following features:—
